

## Our Financial Policy

We participate in most of the major health insurance plans in the region. Including but not limited to: Medicare, MVP, CDPHP, Blue Shield of NENY, Empire BCBS, Cigna, United Healthcare, Medicaid, and GHI/Emblem.

For patients with private insurance in which we do not participate, payment is due at the time of service.

You are responsible for any copayment and/or deductible as required by your insurance company at the time of service. Failure to make the appropriate copayment may result in an additional billing fee.

We accept MasterCard, Visa, Discover Card and American Express, as well as cash and personal check. If you are unable to make full payment because of financial circumstances that would make it impossible for you to do so, we will arrange for you to meet with a patient financial counselor who will assist you with a payment plan.
