## Appointment Guidelines for Patients

Following Governor Cuomo's Executive Order 202 requiring all people in New York to wear a mask or face covering in all public buildings, Cardiology Associates of Schenectady is requiring all patients to wear a mask to their appointments.

In addition, for the protection of our patients and staff we are limiting our admittance to

### **PATIENTS ONLY**

All patients will be interviewed upon entry.

If you have travelled outside of New York, or are visiting from another state, please click [here](#) for the latest information regarding New York States travel advisory.

If you have an upcoming appointment with us and are experiencing flu-like symptoms including fever, cough, respiratory issues, we ask that you call the office where you have an upcoming appointment so that we can reschedule or provide you with the opportunity to have a Tele-Health Visit.
